WELCOME

We love to welcome anyone and everyone to our services, groups, and events, whether you've been a Christian for years or are just starting to explore faith, whether you're a lifelong church-goer or the whole idea is completely foreign. You're so welcome!

In this leaflet you'll find information about our regular services, events, our provision for 0-18s, and a bit about who we are.

WHO WE ARE

We are an evangelical, Church of England church. We love God and his Word and believe that Jesus is the answer to all our desires and questions of fulfilment, belonging, purpose, and love. We believe the gospel of Jesus is good news for everyone so, as a Church, we seek to build each other up in faith and reach out to our community with the message and love of Jesus.

Rev Phil Mullins is the Vicar of All Saints', Hordle, and St Andrew's, Tiptoe. As well as conducting services, Phil is here for anyone seeking spiritual or pastoral help, or simply to talk in confidence.

Anya Bowker is the Children's and Youth Worker, working with the 0-18s of the Parish and their families.
