

Thursday 28th May 2024

Dear Parent/Guardian,

Year 5&6 Residential Trip to Little Canada 2024

PGL is just a short distance away! Attached to this letter is a reminder of the kit list that details the items your child will need for this weekend. It also contains a reminder of the items that are **not permitted**, as outlined in the Parent Information presentation sent out in December.

Gentle Reminders

- There is still plenty of time to make sure that your child has experienced sleeping away from home, whether at a friend's or at a family member's house. It really will make a difference!
- Please ensure that your child knows how to pack their suitcase as it will be up to them to be responsible for this on our last day on site.
- If your child requires any medication, please ensure that you have updated their records with school and that all medication is named, in date, in the original packaging and brought to school on the morning of our departure with a **completed medical form**.

Parent Meeting

The UJ Team will be hosting a face-to-face parent meeting on the evening of **Wednesday 17th April 2024 at 2.50pm** in the Acorn Room to ensure that everyone is up-to-date with the schedule and for any last minute details to be shared. The meeting should take no more than half an hour and there will be time to answer questions at the end.

We hope that you and your child are as excited as we are about this wonderful opportunity. Now, keep your fingers crossed for good weather!

Thank you for your continued support.

Kind regards,

The Upper Junior Team
