Trainers

We are proud to have our own Daily Mile Track on our school site. The aim of The Daily Mile is to help all children improve their physical, emotional and social health and wellbeing by doing at least 15 minutes of physical activity each day. It builds fitness, relationships, confidence and resilience.

In order for this daily activity to be practical and possible, we invite children to wear dark trainer-style school shoes for both boys and girls. Children wearing trainers will not need to buy a separate pair of trainers for PE. Please ensure trainers are predominantly black in colour. There are many options available from Clarks, Matthews and sports department stores.

For those of you who do not wish to wear trainers all day – boys will be able to run in their normal sturdy school shoes. Girls, however, will need to be more careful about their choices of alternatives as some girls' shoes are simply not supportive enough. When choosing girls' shoes please ensure they have a thicker, more supportive sole. Shoe shops will be able to provide further advice.

We look forward to seeing your child enjoying a great sense of achievement as they see their fitness levels and stamina improving over time. Our staff take part too and enjoy getting fit alongside the children!

Please note:

- All year groups to use a book bag or drawstring bag, no rucksacks due to limited storage space;
- Long hair must be tied back;
- No jewellery, makeup or nail varnish is allowed in school;
- Hair must not be dyed and no extreme hairstyles, such as tramlines, are permitted;
- For safety reasons children with pierced ears should wear simple studs - children should be able to tape their ears independently for PE or be able to remove their own earrings.
- Watches may be worn, but at the owner's risk;
- Toys may be brought to school if they are small and of no sentimental or monetary value. Toys can be easily be mislaid and are brought into school at the owner's risk.
