**FREE
event**

New Forest Nature Discovery Day

26 May, Wilverley

Find out more about the
incredible plants and creatures
who live in the New Forest.

Activities are available all day.

- Take part in a guided nature walk or get hands on with some bug hunting.
- Learn how to identify different plants, insects and butterflies.

- Find out how Forestry England looks after the Forest and what makes it a haven for nature.

Pack your
binoculars and
come and join
us for a day
in nature!

Limited spaces are available for the guided
walk sessions so pre-booking is recommended.

Parking is available at
Wilverley Inclosure and
Wilverley Plain Car Parks.
