

What's On At New Milton Library

Spring is here and the library is buzzing with activities. We have the fantastic **Saturday Family Fun** EVERY Saturday morning, where you can make friends and join in with a host of games, Lego and jigsaws to enjoy with a drink and a biscuit. In the April holidays, join us in **THE ESCAPE ROOM**. There are clues to crack and codes to break.

Check out New Milton Library Facebook for dates and times of these events.
